Cruise!

We crank up the rudeness for a naughty new shoot!

DANIELLE LLOYD

"Bra? We're in the middle of a credit crunch, you know!"

Forget the cold weather, postal strikes and credit crunch, because Danielle Lloyd has unwrapped a pair of perky early Christmas pressies for us!

Now, we know the saucy Scouser has appeared in these hallowed pages a few times before, but we're confident this is her rudest shoot yet! Just ask our snapper, who's still de-fogging his camera after taking these brain-meltingly hot pictures. And that was before she filled us in on her fruity festive plans. Blimey! It may be winter but Miss Lloyd is about to turn up the heat…

Hi Danielle! Christmas is almost upon us. What's the best Chrimbo party you've ever been to? I'm lucky enough to get invited to a lot of celebrity Christmas parties, which are fantastic! I love to stand around and people-watch – you know, check out what the stars are doing, how they're behaving, what they're wearing. So my favourite would have to be one of those.

Very glamorous! Do you think you could get us an invite to one of these bashes? Ha-ha! I could certainly try! Do I get an invite to yours?

Absolutely! You must get chatted up loads at Christmas parties. What's the worst chat-up line you've been on the receiving end of? One fella said to me, "Can I check the label on your top? I want to know where it's from. Ah, I thought so – it says 'Made in heaven', just like you." I nearly threw up, it was so bad! But it's not just the chat-up lines. Sometimes, lads will come up absolutely smashed and try to grab your bum. I've even seen a p*ssed bloke throw up on a girl!

Nice! So what's the best way for a bloke to get a Christmas snog? Firstly, don't be sick on the girl! Have a few beers but don't get too carried away with the booze. You have to know what you're doing. And finally, give the cheesy chat-up lines a miss, because we've probably heard them all before. ➡

"I once went to a party dressed as a tart, in stockings and suspenders!"

"It's nice to have someone to keep you warm on those cold nights!"

Do you prefer to be single or loved up over the festive period? It depends. If you're going to a Christmas party, it's more fun being single because you can let your hair down and meet new people. But it's also nice to receive presents from someone special and have someone to keep you warm on those cold nights.

Have you ever done anything naughty at a Christmas party, such as photocopy your bum? Ha-ha! No, I've never photocopied my bum. That's a bit mad! I suppose the naughtiest thing I've ever done is fall over after having a bit too much to drink. But it doesn't happen a lot, I promise – you can still invite me to your party!

Don't worry, we fully intend to! We've seen you in quite a few saucy outfits. What's the sauciest you've ever worn to a festive bash? One year, I went to a "vicars and tarts" party dressed in stockings and suspenders. My mum went in costume as well – but she's got a pretty amazing body for a woman of her age, so that's OK!

Have you got a favourite Chrimbo song? I love Christmas songs! I'm always dancing around my house to *Rockin' Around The Christmas Tree*. That's a great tune. **What's your favourite Christmas tipple?** I don't like mulled wine. It's champagne all the way for me! I just have to make sure I don't drink too much of it. Ha-ha! ➡

"Since when was wearing orange socks a spanking offence?"

DANIELLE LLOYD

"I swear on my right boob that I've been a good girl"

I haven't kissed anyone under the mistletoe - yet!"

Have you ever kissed anyone under the mistletoe? You know what, I haven't! I'll have to put that right this year. Would I do more than kiss? It would depend on where the mistletoe was. If it was in the bedroom, you never know.

Golly! Have you ever got off with a colleague at an office party, then got all embarrassed at work the next day? Not exactly, but I've woken up after a night out and thought, "Oh no, what have I done?" I hate not being able to remember what I've been up to – although I can safely say that I've never done anything *too* naughty!

If you hosted a Christmas party, who would be your dream guests? That's easy – Marilyn Monroe, Elvis Presley, Michael Jackson and the Beckhams. Only David and Victoria would come, though because all the rest are dead! ➡

"Someone bought me Twister a few years ago – I might have a naked game this Christmas!"

Would you organise any sexy games to make things more exciting?
Of course! Someone bought me Twister a few years ago, and I've been meaning to play it for ages. Maybe I'll have a naked game this Christmas! You can only play it with your boyfriend or girlfriend, though, because who wants to see granny in the buff? No one! ■

PETA TODD

IT'S

Miss Todd's back in a new nude shoot!

Hi Peta! You've been in *Nuts* for ages. How do you stay so sexy? It's five years since I started modelling! I take sexy pills every morning and I work out a lot. **Would you say this is your hottest shoot ever?** I hope it's on par with the others. I don't want a dip in performance! ➡

PETA TODD

"Blimey, this Portaloo's posh!"

Who have been your favourite *Nuts* girls to get naked with? I have a giggle with Lindsey Strutt. I also love Rosie because we're both geeky. We like to dress up and do stupid things together. Plus she's really gorgeous, so that helps.

She says the same about you! What else have you been up to recently? Well, I assistant-produce and co-present my own show on Absolute Radio. I've also been doing a lot for Help the Heroes. And, of course, a lot of nakedness!

When you go on a girls' night out, are you the wild one or the quiet one sipping cocktails in the corner? I'm definitely not the quiet one, I'd be in the middle – I'd have a bottle of beer as opposed to a cocktail and just dance stupidly to make people laugh. I love causing mischief!

Would you come to our Christmas party dressed as you are in the shoot? If you asked *really* nicely. I'd wear underwear, and just have clothes over the top. That way, I'd have it on but you couldn't see!

Eva told us she spends a lot of time in sex shops buying naughty goods. Do you? Yeah! I bought all-in-one stockings and suspenders recently. I've not worn them yet, though – they're for a special occasion.

It gets very windy this time of year. Have you had any skirt mishaps? When it was really windy, I was trying to control my umbrella as I was walking, and I lifted up a girl's skirt! She had a lovely black G-string on and a tidy bum.

If your house caught fire, what three items would you rescue? My two goldfish, Lauren and Michaela. I'd also grab my mobile phone and some wet-wipes. They're useful!

Practical! Talent shows are in fashion at the moment. What hidden talents do you have? I play piano to grade four. I also love to draw. I find it very relaxing. I have drawings and paintings all around my house!

Funnily enough, we have a drawing competition where our readers send in their drawings of Chris Kamara! Want to enter? Definitely! I know Chris quite well as we've worked together a few times. If you go to Nuts.co.uk/spambank and type in "Peta Todd", you'll find a clip of us winding him up – it's hilarious! ■
